

Dr. Flavia Kessler Borges

Dr. Flavia Kessler Borges is an Internist and Assistant Professor in the Department of Medicine, and in the Perioperative Care Division at McMaster University. She is also an Investigator at the Population Health Research Institute. Dr. Borges undertook her Masters in Health Sciences, and her PhD in Cardiovascular Sciences in Brazil. She undertook a post-doctorate and a clinical Perioperative Vascular fellowship under the direction of Dr. PJ Devereaux at McMaster University. Her research is focused on perioperative cardiac biomarkers, and perioperative strategies to improve cardiovascular outcomes in noncardiac surgery.
